MINUTES OF THE CLM-IPB and NEUROIMAGE Meeting held on January 22nd, 2006

PRESENT
1. Pavle Andjus
2. Biljana Božić
3. Nebojša Jasnić
4. Aleksandar Bajić
5. Lidija Radenović
6. Nevena Djogo

1. Adoption of the agenda
Pavle Andjus informed CLM members about meeting agenda. The Agenda was approved.

2. Information about LSM 510 upgrading
Pavle Andjus has delivered information from Zeiss representative and importer (Trivax, Belgrade) about the time window for the LSM 510 return from factory upgrade. It was announced that the microscope will be placed back after February, 20th. The importer has offered to organize a promotional cocktail upon installation of the microscope.

3. Presentation of new CLM members
Pavle Andjus informed about recruitment of two new PhD students: Milena Milošević and Nevena Djogo planned to be engaged on tasks of national grant NEUROPROFILE (#143054) and NEROIMAGE (#026400) FP6 project.

4. Electing a new CLM member
Pavle Andjus has given a brief overview of dr Lidija Radenović’s application emphasizing her scientific and educational plan within CLM resources. CLM members approved the application with the proposed project and elected dr Lidija Radenović as a new CLM member in accordance with CLM Rules of procedure.

5. Establishing the Postdoc Fellow Admission Committee
Upon opening of the call for postdoctoral positions under NEUROIMAGE project members of the Admission committee were proposed within the NEUROIMAGE WB partners – IPB and CIBR. It was adopted that commission will have three members: Prof. Pavle Andjus - chair, Dr Biljana Božić (both IPB) and Prof. Srečko Gajović (CIBR, Zagreb).

Pavle Andjus informed the members on the received postdoc applications.

6. Report on the NEUROIMAGE Web Site (NWS)
Aleksandar Bajić informed participants that the NWS has been opened since January 1st, 2007 and hosted on local server at the URL: http://files.bio.bg.ac.yu/news fp6.htm. It was concluded that the client web forum has to be installed as soon as possible. Aleksandar Bajić was named as a person to finish this task.

7. Establishing the Organizing Committee of the NEUROIMAGE Dissemination Workshop (NDW)
The NDW will be executed under WP4 of the NEUROIMAGE project end of September 2007. This workshop will be held in Belgrade and should gather all CLM partners, established and potential clients. It was concluded that Pavle Andjus will chair the Organizing Committee with members Biljana Božić, Milena Milošević and Nebojša Jasnić. Biljana Božić and Nebojša Jasnić were delegated to collect partners and client affiliations and to prepare a list of potential clients before the next CLM meeting.

8. Time of next meeting. It was agreed that the next meeting takes place on Monday 26th, 2007 at 10AM. It was also agreed that the CLM meetings take part bimonthly. Meetings also dealing with important points of NEUROIMAGE management will be minuted separately and published on the CLM website.

CLM Head,
